

# A flow chart for a DSGE model

This note presents two flow charts that I used to talk about a model very close to Gerali et al. (2010) in a presentation. Both are centred on a DSGE model with a financial sector – one is more detailed, the other more basic. Files can be found on my [homepage](#). Enjoy and feel free to give me feedback under [benedikt@bkolb.eu](mailto:benedikt@bkolb.eu).
